

Beautiful Savior Lutheran Church Long Range Planning Priorities

A. Seek the Unchurched

This is central to our mission- To Make Jesus Known
Half of the country is unchurched. The people young and old need God spiritually. The country needs God morally. We will strive to be an Acts 2 Church. Each member and team will bring this to reality and we will go as far as our legs will carry us.

B. Encourage every participant in Beautiful Savior (from child to adult) to grow in Discipleship.

Pray daily
Worship weekly
Study the Bible daily
Serve at and beyond Beautiful Savior
Relate to others for the purpose of spiritual growth (small groups)
Give a Tithe (10%) and beyond

C. Develop Lay / Staff Leadership

A church with a strong leadership team will grow more effectively and will provide a healthy environment for its members to grow spiritually. We will evaluate our leadership style and make recommendations to adopt a leadership structure most efficient for a Church with a large and growing weekly worship attendance.

D. Continue Facilities / Grounds Improvements

Our facilities will help us to attract new members and carry out our programs more effectively.
